### SUMMARY

Mysterious hip hop artist KaizanBlu writes music that makes the listener feel at ease. He sets the scene with his calm mood, dreamy melodies and nostalgic styles.

His first release was *Closer* back in 2019 and since then he has been interacting with his listeners & followers to build a community where his music makes all negative thoughts disappear.

All of his music has been released under a creative commons licence, which has allowed for his music to be featured in thousands of YouTube videos and vlogs.

KaizanBlu takes some of his inspiration from *53 Thieves*, their airy and creamy vocals is what he aims for in his own music.
